Wines with our daily menu

Combining good wine with good food might seem a daunting task for some, but the good news is the rules are not as strict as one would expect. Ultimately what one would like to achieve, is a third flavour that surpasses each individual taste, and in so doing, offers our palates the essence of a taste experience.

The chef at our Reuben's restaurant designs a menu daily that is simply bursting with flavours, offering exciting options for everyone. The key to a successful food and wine pairing is to achieve a balance. Our wine stewards have a deep passion for wine and food, and will gladly recommend a suitable pairing.

All wines are subject to availability and vintages may change due to demand.

Prices are inclusive of VAT.

All wines are 750ml unless otherwise stated
