# Wine List

## CHARDONNAY

The most prominent flavor in Chardonnay wine comes from oak used in the wine production process. Other flavors and aromas include fruit, lemon, melon, grass, and vanilla. Some other characteristics of Chardonnay wines are high acidity, golden colors, and a velvety feel in the mouth.

## PINOTAGE

Pinotage is a grape variety that was created in South Africa in 1925 by Abraham Izak Perold, the first Professor of Viticulture at Stellenbosch University. Perold was attempting to combine the best qualities of the robust Hermitage with Pinot noir, a grape that makes great wine but can be difficult to grow.

## MERLOT

Red fruits, easy tannins and a soft finish are the characteristics of Merlot wine. But there's more to Merlot than being smooth. It's actually a bit of a chameleon, partly because of how Merlot is vinified and mostly because of where it's grown
