

Traditional Portuguese Cuisine

Always open. Always good.

7th Edition Menu

Bem Vindo!

History

Renowned as travellers, the Portuguese have brought influences from the world over to their kitchens, resulting in a fusion of spices and flavours from around Europe, the East and of course, Africa.

Adega Restaurants began in the late '90's, when there were few good eateries where people could gather to enjoy traditional Portuguese fare and hospitality.

Through the years Adega has become renowned for its traditional Portuguese cuisine and for being affordable, yet highly upmarket. Whilst each restaurant has its own character, the one common factor throughout our network of restaurants is our Portuguese hospitality, which places emphasis on celebrating delicious food in the company of family and friends.

Our customers have voted us the Best Portuguese Restaurant in the prestigious Best of Johannesburg competition, for 11 years running, and we have been awarded the Star Reader's Choice Award for the Best Portuguese Restaurant, for 4 consecutive years.

The growing number of Adega Franchises today is indicative of the popularity of the concept. Adega continues to expand with new branches being opened beyond the borders of South Africa.

Welcome to our table and enjoy your Adega Experience!
