

A VERY WARM WELCOME TO
A'LA TURKA

We offer you a very unique dining experience, as Turkish cuisine is considered one of the three finest cuisines in the world.

The name "A'la Turka" is derived from the 18th century in the early days of the Ottoman Empire and is a combination of food, music, art & culture "Where the East meets the West".

In the days when Istanbul was still called Constantinople. You have come to feast! We promise to enchant you with our hospitality and entertain you with our show!

Dear valued guest,

All our food is freshly prepared from scratch.

All our herbs are organic.

Our olives, olive oil, vine leaves, halva, liqueurs, dry ingredients and spices are imported from turkey and Lebanon.

Please be patient as our cuisine takes time to prepare.
