5/BALKANĆIĆI [SERBIAN DELICACY]

hand-rolled mini kebabs served with our famous bread (or without as a Banting option), on a bed of vegetables & your choice of our roasted red pepper sauce

*THE FIXINGS

We do not overwhelm our burgers with on million fixings, we keep it super simple so you get to taste the artisan bread, AAA grade beef and our delicious home made sauce. Our burgers are served with tomato, onion, garden lettuce and a bit of shredded cabbage for the crunch

**HOMEMADE ROASTED RED PEPPER SAUCE

We do NOT use ketchup or mayo, that stuff is super bad for you, it's full of saturated fats, processed sugars, sodium & preservatives. Instead, Balkan Burgers are served with your choice of either NOT HOT, MILD, or HOT home made roasted red pepper sauce. Yum
