PINKS

“Blush” or “rosé”, whatever name you give them, they’re usually made from red grapes that are only allowed to ferment a few days too short a time for the grape skins to impart a deeper color to the wine. The result is a pink, fruity wine that’s best served chilled & goes superbly with poultry, seafood, & spicy dishes.

ROBERTSON ROSÉ 130

A pale salmon pink colour with a fresh, lively floral character

NEDERBURG ROSÉ 135

Light-bodied, semi-sweet salmon coloured wine

ALLEVERLOREN TINTA ROSE 195

Bold flavours of raspberry, strawberry & vanilla

CHENIN BLANC

This is one of our most versatile white varieties. Generally these wines are simple, soft crisp & fruity hints of tropical fruit, melon, apple, almonds, honey & floral notes can be sensed on the nose. Enjoy with seafood, spring rolls & salads; the more full-bodied wines go particularly well with chicken & spicier dishes.

SPIER 150

Thatch, apple & quince aromas & a creamy finish

NEDERBURG CLASSIC 145

Bright and fresh, brimming with white peach & apricot notes

“Nothing makes the future look so rosy as to contemplate it through a glass of Chambertin”
Napoleon Bonaparte

WHITE WINE SAUVIGNON BLANC

With naturally high acidity, Sauvignon Blanc is always tangy, tart, nervy, racy or zesty & this character pervades even sweet & dessert versions, keeping them from being cloying and sticky tasting. Sauvignon Blanc is probably the best dry white wine to accompany the greatest variety of foods.

TWO OCEANS 130

Green apple crispness with a white pepper finish

LEOPARDS LEAP 145

Rounded with bouncy tropical flavours

DURBANVILLE HILLS 195

A full-bodied wine with grassy bouquet & subtle grassy undertones

LA MOTTE 220

Grassy winter melon zip to dry, its fresh acidity rejuvenating

TOKARA 230

Zesty aromas leap out & liveliness continues to a lingering passionfruit finish

WHITE BLENDS

By definition, blending wine simply means you are combining two or more wines to create a new one. To enhance aroma, improve the colour, add or minimize flavours and tastes, adjust the pH of a wine, lower or raise acidity, raise or lower alcohol levels, adjust the sweetness of a wine and to correct a wine with too much oak flavor.

VAN LOVEREN BLANC DE BLANC 125

Fruity character with grassy undertones

BOSCHENDAL BOSCHEN BLANC 165

Full flavoured white wine with tropical & citrus aromas

LEOPARDS LEAP CHARDONNAY PINOT NOIR 175

A burst of bubbly flavours of strawberry, raspberry & citrus

SARONSBURG EARTH IN MOTION 185

Tropical aromas of gooseberry & exotic fruits

CHARDONNAY

Rich is the word that best both describes Chardonnay & explains its popularity. Its aroma is distinct, yet delicate, difficult to characterize, easier to recognize. Chardonnay is usually dry, & goes best with poultry or seafood, like lobster or scallops. It can even go well with a light red meat dish. Good cheeses for Chardonnay include Gruyere, Provolone & Brie.

LABORIE 150

Zesty juice flavour, bit of leesy bounce & oak spice

DURBANVILLE HILLS 195

Creamy caramel, hazelnut hues

FAT BASTARD 225

Intense fruit flavour & real character

SEMI-SWEET

The sweet wine has a golden colour, is vigorous, fruity and fresh. Vouvray is made from Chenin Blanc grapes (Pineau blanc de la Loire). Sweet vouvray wines include Demi-Sec (semi-dry), Moelleux (sweet, botrytized) and Doux (sweetest, botrytized and heavy or syrup like).

DROSTDY HOF ADELPRACHT 130

Full bodied late harvest, fruity, fresh & honeyed with peach & apricot flavours

THEUNISKRAAL BOUQUET BLANC 140

Gilded with the sunripe richness of Gewürztraminer & Muscat d Frontignan

Where there is no wine there is no love"

RED WINES

CABERNET SAUVIGNON

The outright favourite with any full flavoured red meat - steaks, grills, roasts & stews. Cabernet Sauvignon are dark & flavoursome. The new releases are easier to drink in their youth. Enjoy flavours of blackcurrant, blackberry, cedar, cigar box, lead pencils, green pepper & mint. Chocolate, tobacco & olives are very often also present.

ROBERTSONS 185

Smooth, full-bodied style with rich mulberry, plum and cassis supported by soft tannins

DURBANVILLE HILLS 195

Full bodied & elegant, with fruit aromas of wild berries, plum & strawberries

NEDERBURG THE WINEMASTERS 225

Lively, generous flavours of ripe black & red fruits, with savoury notes

PINOTAGE

The result of a cross between the Pinot Noir & Cinsault varieties. Pinotage was created in South Africa in 1925, by Stellenbosch University Professor A.I. Peroldt. Pinotage has a distinctive flavour, very fruity with an underlying taste frequently compared with banana. It can be drunk young, to maintain its fruity flavor. It also ages well, & the mellowing effect allows the wine to taste like a mature Bordeaux. Pinotage works well with stews & other rich dishes.

SWARTLAND 165

Honest thrust of fresh, rosy cheeked wild berry fruit gives unwooded charm & character

BEYERSKLOOF 230

Full bodied & complex wine with blackberry & cassis flavours

NEETHLINGSHOF 245

Offering robust cherry fruit & plummy flavours

SHIRAZ / SYRAH

Shiraz & Syrah is a variety of grape used in wine. It got its name from Shiraz – the city of flowers, wine & poetry located in the heart of an ancient winemaking region. Shiraz forms intense wines, with deep violet, nearly black color, chewy texture & richness, & often alcoholic strength, with aromas that tend to be more spicy than fruity.

SWARTLAND 165

Decently full has real ripe-berry, vibrant & youthful with firm tannic texture

DARLING CELLARS "BLACK GRANITE" 180

Aged in French oak this wine always delivers on quality & complexity

MERLOT

Merlot is the name of a red grape which traces its ancestry to the biturica variety. This was brought to France in the first century. From this stock came many of the varieties we know today - Cabernet, Malbec. The "Merlot" grape was not named as a distinct variety until the 1800s. It is known as a Noble Bordeaux varietal. It is a perfect match for beef & other medium-heavy dishes.

LEOPARDS LEAP 165

Floral violet charm to plummy mushroom flavours

DU TOITSKLOOF 180

DURBANVILLE HILLS 195

A wine with a strong mint nose, full of ripeness & subtle oak aromas

MEERLUST MERLOT 660

Blue berry & black cherry bouquet, with a hint of minerals & cedar wood

RED BLENDS & OTHER VARIETIES

Some single varietals are made for blending: Winemakers will often make a barrel of Malbec, Cabernet Sauvignon, Merlot or other wines solely for the purpose of blending. As the grapes are being harvested, a winemaker determines what they think will be the best formula for a blend
