

Café Maude Restaurant

Visitors come to Bon Courage Estate, not only for the exquisite wines, but also to enjoy a delicious meal, a fresh salad, a creative sandwich or just a cup of coffee at Café Maude.

Here, under the shade of an old African pepper tree, locals and tourists alike, gather to relax and enjoy each others company.

A new indoor restaurant with a big fireplace is also in place should there be a chill in the air on a winter morning.

Don't be surprised if you hear some chirps. An owl and her chicks have a nest in the tree just above your seat...
