Havana Lounge ~ Latino Caffé

MENU
EST. 2001

ñ

Cubaña is South Africa's only authentic Latino Social Caff  and eatery which provides the service of a cocktail bar and cigar lounge with a unique flavoursome cuisine. Our focus is to be a Social Caff  and not a club or restaurant. Music is authentically Cuban for the most part, some of which is imported from Cuba. We also play your favourite commercial and Latino music later in the evening. This is the place to be if you want to have a social evening with our beautiful clientele, efficient staff and warm atmosphere. You might even catch a glimpse of a celebrity or two. Dress code is smart-casual and our policies keep the standards of our establishments high...

Cubaña started as a single cell business and within a year and a half we launched our second establishment. Many stores later, Cubaña's winning recipe has proven itself once again. We are proud of what we have created and are only prepared to share in our brand if your passion matches ours. As Cubaña develops, so do the possibilities. We are currently looking at potential venues throughout our continent. Cubaña has also been approached to assess its viability in various other countries. Today, amongst other businesses, Cubaña is nothing less than 13 super-stores strong with an application list twice as long as before. There are no limits in sight, so now is the perfect time to join and grow in this incredible company.

Interesting

1. In the early days, Cubaña sold so much Jack Daniels that Jack invited us over to collect a special barrel of Jack Daniels Single Barrel. Needless to say, we drank it all.
2. During the 2010 FIFA World Cup some of our stores had a fully stocked truck from SAB parked outside to meet demand.
3. The first store in the group was in Edward Street, Cape Town. It had an orange Cadillac parked outside for the first year. It received quite a number of parking tickets.
4. After Germany's 4-1 victory over England during the 2010 World Cup, the German team visited Cubaña Bloemfontein, they had such a good time that they came back the next 2 nights.
5. One of the Spanish SWC 2010 team proposed in Cubaña Bloemfontein.
6. Cubaña has seen international celebrities such as Samuel L Jackson, Charlize Theron, Jay Z, Fernando Torres, Keri Hilson, Denzel Washington, Cuba Gooding Jr., Fat Boy Slim and some Presidents, just to name a few.
7. Every store has a name or a symbol engraved on a stone within the store that has some specific meaning. Woohh
8. There was a day that a Cuban guest brought in his own Hubbly Bubbly, 2 meters in height. It was such a spectacle that we allowed him to use it. It was eventually packed away as he couldn't cope with so many people taking photos.
9. Every month Cubaña has a themed event. Ones to watch out for are, Xmas in July, Beach Party, 80's party and Halloween.
