

The Sunday Roast dates back to medieval times, when the village serfs served the squire for six days a week. Then on the Sunday, after the morning church service, serfs would assemble in a field and practice their battle techniques and were rewarded with a feast of oxen roasted on a spit.

Menu subject to change without notice. All items are subject to availability,

All prices include vat.

A 10% service charge will be added to groups of 8 or more.

Sunday lunch is one British tradition worth observing. All you need is a lazy afternoon, an expandable waist line, good company and more Sunday papers than you could ever hope to read. A cracking hangover from the night before is an additional extra which can always be soothed by a potent Bloody Mary.
