

## Knife's set menus

At **Knife** restaurant we can accommodate parties from 12 to 180 people seated (should you want to have a stand-around affair we can go higher than that).

We have a variety of options for group bookings ranging from a casual stand around drinks and snacks to more formal sit-down meals.

For sit-down meals we have two set menus priced at **R250pp** and **R295pp** (excluding service), cocktail list and wine list. Welcome drinks can be arranged, as well as a cash bar.

The **R250pp** two course set menu allows you to pre-select two of the three courses offered for your group. The individual dishes in each course will be available for your guests to choose from on the day. Due to operational requirements, the entire group needs to either go with the starters and main course or main course and desserts.

The **R295pp** three course set menu allows your group to enjoy all three courses. Again, the individual dishes in each course will be available for your guests to choose from on the day.

### Outside area

We have 2 outside areas which can hold up to 40 people stand-around on each side and we provide a variety of options for food, from platter plates to a selection of Tapas. It provides 2 lovely areas to mingle with your guests and we have heaters available when winter arrives.

### Bar area

We have a fully functional bar which is perfect for snacks and has a wide range of draught beers and cocktails. Don't forget we have **Happy Hour** available every day from Monday to Sunday 17h00 to 19h00.

In order for us to make your experience a memorable one, we might need to amend some of the above guidelines depending on the size of your group.

A 50% deposit is required in order to secure your reservation. All prices exclude a discretionary **10% gratuity**.
