

WINE, SAKE & BEVERAGE LIST

Corkage:

Bringing wine to a restaurant is a common practice among wine lovers. However, there are some unwritten rules to consider should you decide to do this.

The wine should be special, something that is unlikely to be on our wine list. It might be a wine from a boutique winery or wine that is available only at the winery. Or, the wine might be one that has been aging in your wine cellar.

It is always a good idea to call ahead and ask the restaurant about their corkage fee.

NOBU'S SAKE SELECTION

Exclusively For Nobu Cape Town

The Hokusetsu Brewery on Sado Island in the Sea of Japan has been operated by the Hazu family since 1871. The name "Hokusetsu", or "Northern Snow", was chosen to reflect the ideal sake brewing conditions on the island during the coldest days of winter.

Chef Nobu first experienced Hokusetsu sake when his Japanese rock-musician friend bought a bottle to the original Matsuhisa restaurant in Beverly Hills. Impressed by the quality, Nobu obtained the exclusive rights to sell Hokusetsu sake in the United States and around the world.
