BASEMENT

OUR WINE

Sauvignon Blanc Merlot Merlot Rosé Shiraz Chardonnay

It's been one helluva journey building this hospitality business from a garage in Noordhoek to where we are today. With restaurants, pubs, hotels and lodges on the go, it's been a busy story. Contemplating it all, it dawned on me that we needed to come back home - so Grapes in the Basement was born. It's our bunker - it's where we keep our wine and plan the future from.

There are good wines to be drunk, and our bunker is getting some class. I've returned to below ground where I really belong, so when you done up top, pop on down for a glass. Above are our Grapes in the Basement range. Its origin is Cape Agulhas, and is world class in my opinion.

The Grapes in the Basement wines are available at R40 per glass / R145 per bottle
