

The Waffle House®

EST 1991

We believe that food should be fresh, wholesome, nourishing, as well as delicious. Great care is taken in the preparation of your food; this includes the use of whole foods and quality ingredients in our recipes, while avoiding foods that contain additives, preservatives and colourants. To make your food just that bit more special, we use organically grown vegetables, when available, and only free range chickens and eggs.

DRINKS

(See separate BEER / CIDER / WINE MENU for other drinks)

For coffee lovers - enjoy a smooth Espresso made with Tribeca Bowery 100% Arabica Beans or Beaver Creek's House Blend Filter Coffee.

Freshly ground decaffeinated beans are available for all coffees

* Add R12 for Soya or Almond milk in place of regular milk *

* Add R8 for fresh whipped cream with any hot drinks *
