HONEST CHOCOLATE

Café

At Honest we're into dark chocolate.

We make it by hand in Cape Town using only the best organic cacao. There are no preservatives, artificial flavours or emulsifiers in our chocolate, keeping it as pure as possible. It is also free of dairy and cane sugar.

All Honest Chocolate Café food is made with local and organic ingredients as far as possible and we support our fellow local small-scale food producers.

We have vegan and gluten-free options, but we also have good old fashioned butter, eggs and flour baked goods!

If you have any questions or need any recommendations please ask, we'd love to help.
