

All over the African Continent you will find unique informal eateries where ordinary good people with a passion for good food dish up delectable cuisine. Be it a Street Cafe, Township Tavern or Barraca the concept is simple

**Good Times = Good People + Good Food**

*Welcome to OC's*

We see ourselves as an authentic Southern African Social Cafe and eatery with a coffee bar, diner lounge and cocktail deck serving flavoursome traditional Southern African cuisine as well as our own version of common favourites. We're a Social Café and not a tavern or restaurant. Our music is predominantly Bossa Nova mixed with Southern African and International favourites. Our setting is rustic, warm and deliberately distanced from a commercial feel.

OC's is owner run, should there be any requirement beyond your servers scope please call on us, we are always available and value your patronage.

**We open at 09:00 close at 22:00**

**Kitchen close at 21:00**

**Service Charge not included - custom is 10%**

**We unfortunately do not do split bills.**

Kitchen Staff is trained according to menu items We can not guarantee the outcome on any deviation from the menu and it could delay your order

Meals are made fresh to order and could take a little longer during peak periods  
Meals prepared at the Old Cape Cafe are made in an environment where nuts are used and handled. For that reason we cannot guarantee our food to be nut free.
