### CHATEAU PETRUS COLLECTION

"Chateau Petrus is the most famous wine of Pomerol and today the most expensive wine of Bordeaux."

Jancis Robinson

Consistently the most sought-after Merlot-based wine in the world, Petrus is made from an estate of less than 12 hectares. Only 2 500 cases are produced per year.

It is only bottled when vintage conditions allow for the production of great wine: The 1986 is one of the most highly regarded of the decade, sharing this reputation with the 1988. 1990 is utterly exceptional, and the Chateau Petrus of that year a legend in the world of wine.
