White Cultivars

Spier Chenin Blanc	67.00
---------------------------	--------------

Chenin Blanc has started to increase in sales against Sauvignon Blanc; Spier offers a complex wine with a touch of oaking to give a full mouth feel complimented by the tropical fruit Chenin Blanc gives you.

Rietvallei Unwooded Chardonnay	86.00
---------------------------------------	--------------

Tired of wooded Chardonnay? This is made without the use of oak; this allows the classic citrus fruits to show through. Ideal with salads or chicken and fish dishes.

Savanha Sauvignon Blanc	64.00
--------------------------------	--------------

Fell the sun! That's Savanha's motto! It's getting warmer now and this will quench your thirst while preparing you for some food. Made with classic peppers and light tropical tones, enjoy!

Porcupine Ridge Sauvignon Blanc	83.00
--	--------------

Never had a Porcupine? Today is your day! Ask for a bottle and see why South Africa has adopted this classy wine. Fresh notes of cut grass, nettles and summer fruits, balanced by lighter alcohol content.

Theuniskraal Riesling	76.00
------------------------------	--------------

Actually a cousin to Chenin Blanc, this Riesling is light with crisp acidity.

Dry White Blends

Haute Cabriere Pinot Noir Chardonnay	134.00
---	---------------

This wine is actually made from the base wine used to make South African style Champagnes, off dry in style and good partner to light white meat dishes.

Glen Carlou Tortoise Hill White	82.00
--	--------------

Arco, the Winemaker wanted to produce a wine that can be enjoyed by itself or enjoyed with a host of dishes. Packed with loads of vibrant tropical fruits and a refreshing crispness.

Graca White	49.00
--------------------	--------------

The laughing drinking, talking wine, not for the adventurous.

Chapel Light White	59.00

Red Cultivars

Villiera Merlot 122.00

This is KZN's favourite cultivar, soft and voluptuous with decadent red fruits and subtle oaking flavours. As charming as a Merlot should be! You'll be amazed at how this compliments big red meat dishes.

Savanha Merlot 67.00

Made in a lighter style for earlier enjoyment, Savanha offers some plum and raspberry flavours with follow through to the long-finishing palate.

Porcupine Ridge Syrah 106.00

Called Syrah as a mark of quality, Porcupine Ridge has some of the best fruit to choose from to make this stunner! In the glass you'll find layers of crushed black pepper and ripe dark, brooding fruits. An ideal partner to saucy meaty dishes.

Landskroon Shiraz 95.00

These grapes are from the warm area of Paarl; this lends itself to flavours of cherries and smokey berry fruits. The American oak gives a slight pleasing sweetness.

Glen Carlou Cabernet Sauvignon 162.00

The King of all Grapes! Arco has produced this big bold Cabernet; the generous spicy oaking gives balance to the blackcurrants and plums you'll find in the glass. Enjoy with really good company and hearty beef dishes.

Rietvallei Cabernet Sauvignon 109.00

The Robertson area is quite warm against the rest of the Cape; this gives ripe fruits to work with. Soft hints of berries and warm oak flavours are evident in this warm climate wine.

Robertson Pinot Noir 82.00

Pinot Noir is a wine not many people are familiar with, once you've tasted this wine you'll wonder why you haven't tried it before. Its in-between a heavy Rose and a light red wine making it ideal for our hot summers, strawberries and cherries are crammed into the glass. Enjoy with light meat dishes or smokey chicken dishes.

Blends

Glen Carlou Tortoise Hill Red 106.00

We are proud to offer a Cabernet/ Merlot blend that are made to be enjoyed by itself. Rich berry fruits and soft tannins make this a firm favourite for everyone.

Goede Hoop Domain Red 65.90

Looking for a spicy easy drinking wine? Goede Hoop has blended the Cabernet and Shiraz beautifully for you. Buy a bottle or two and sip the night away!

Edgebaston "Berry Box" Red 120.00

Exactly as the name suggests, get a bottle and unpack the multitude of berries, from raspberries to strawberries, can you pick them out?
