CRAFT BEER

We are always asked what makes craft beer "craft"? Well, for starters, craft beer is meticulously perfected by "Gods" (or you may know them as "Brewmasters"). Their ingredients are of the highest quality, and most importantly, the beer is PURE. We all know the four ingredients of beer: Water, Malted barley, Hops, and Yeast (used in that order). Most craft beer is brewed using ONLY these four ingredients; however, depending on the type of beer, wheat, rye or fruit may also be used.
