BRAZA

Portugal-Brazil-Moçambique-Angola

*Great food
inspired by
Portuguese
flavour*

Braza is a place where flavour is king. Where the senses are enriched by the world's freshest ingredients and top-quality meats.

It's a kitchen that fuses the best of rich cultures to present tastes and food with unique flair. It's a restaurant that cooks with care.

Where a hint of the Portuguese palate, our dishes are flavoured by the 'Braza', which means the flame of the coal'. This heat and passion for authentic cuisine marks our menu.

Enhanced by a great variety of wines, our plates are paired with authentic sides and finished with indulgent desserts — created in celebration of the enchanting journey each mouthful takes us on.

*Our food is honest.
Our servers are friendly.
Our flavour is brilliant.
Your Braza experience has begun...*
