# You Maaaasn't Poosh!!

Your kid may be an honors student, but you're still an idiot. Jesus loves you, but everyone else thinks you're an asshole. Very funny Scotty, now beam down my clothes. You're just jealous because the voices are talking to me and not you!

My head is pounding like a hoobler on payday! I think my virginity is growing back... Humpty Dumpty was pushed. I'm as bored as an armless guy watching porn!!

Out of my mind. Back in five minutes. Who stopped the payment on my health check? I just let my mind wander, and it didn't come back. Gravity always gets me down.
