CITY CENTRAL

About JoburgPlaces

JoburgPlaces has developed a stellar reputation for its inner-city tours, events and activations. Having played key roles in the initial launches of the Market Shed at 1Fox and Hangout Jozi at One Eloff, JoburgPlaces is now running a pop-up bar, restaurant and events service at Urban Ocean's City Central Foodhall & Event Space. This is while JoburgPlaces is ramping up to launch the JoburgPlaces Collection – a series of exclusive event spaces all over the Johannesburg inner-city, operated by individual businesses but booked by JoburgPlaces for events and activations. At the same time, JoburgPlaces is busy developing the Thunder Walker on Gandhi Square – a future tourism hub in the heart of the city.

For enquiries about JoburgPlaces inner-city tours, location scouting, event staging and activations all over the city, contact Gerald Garner at email gerald@joburgplaces.com or cell 082 894 5216. Visit us on www.joburgplaces.com or follow us on social media as 'JoburgPlaces'.

City Central operates as a foodhall Monday to Friday with various stalls serving streetfood market meals from 12noon – 4pm. Choose from Sisterhood, the Vault, Crisp Kitchen, Kwantashe Fish & Chips, BunnyKota and Howzit Burger.

The Brass Bar, operated by JoburgPlaces, is open Tuesday to Saturday every week (12noon-7pm but staying open till 10pm on Fridays and Saturdays).

The Food Menu below is only available to pre-booked groups and events and not for walk-in customers, except for Friday nights and Saturdays when this menu is served to the public.
