LOUNGE & BAR

## Gourmet Menu

### JTM CULINARIS

was launched on June 2016 in partnership with Niche Lounge & Bar in Rosebank, North of Johannesburg. The setting is in an upper-middle class neighbourhood. The concept is to provide a cosy environment where patrons can enjoy freshly cooked meals and complement them with our great selection of wines from our partners. The food seeks to challenge stereotypes and will feature invited chefs on special occasions. Whiskey, Cognac and other spirits can also be enjoyed while having conversation to great background music. Cigars and high quality coffee is also on offer.
