ARTISAN BISTRO
CUT & CRAFT

EST. BUILT FROM SCRATCH 2016

BON APPETITE!

Cut and Craft is based on the principle of food and crafts, crafted with  Cut derived from our specialty meat CUTS on the menu, and CRAFT from the craft beers and spirits we stock and brew, as well as the various CRAFTS for sale in the bistro. Queen Street Brewing Company is the registered trade name where we will brew our own #crafters beverages... coming soon !!!

Once completed you will be able to buy anything, the table and chairs you sit on, the cutlery and crockery you use, the pictures and paintings on the wall and the lights hanging from the chandeliers. You like, you buy, we pack, you take! If the bus is too small, we will arrange for delivery (t&c's apply). Ask your hosts Nico or Naomi or any of the waiters on duty serving you.
