OUR STORY

The dimple - formed on the side of one's mouth when you smile.

The average golf ball has 336 dimples, so it made sense for us to call our family restaurant Dimples Café. Giving you hundreds of reasons to smile!

We are passionate about good food, great service and creating an environment where friends and families can sit back and relax. We created the Dimples Café around the people we spend time with every day, golfers and families. That is why our golf themed menu was carefully crafted to cater for you and your family.

Our menu is unapologetically generous, comforting, and there is value for money in every mouthful. We are bold with our flavours and confident we'll score a hole-in-one with every meal.

Drink with friends, break bread with family and enjoy a Dimples Café meal today, every day, 7 days a week.
