VILLIERA | STELLENBOSCH 235

Merlot was initially planted as a blending partner for cabernet sauvignon. The softer style was designed to round off the cabernet sauvignon. When the market indicated a liking for softer red wine, merlot was included in our range as a stand-alone variety. The colour of the wine is brilliant red. The aroma shows hints of wood spice with attractive red berry fruit.

MEERLUST | STELLENBOSCH 750

Notably Bordeaux like with classic berry & cigar box aromas leading to a fine balance of fruit, acid & firm dry tannins. Dollops of cab franc & petit verdot add to complexity.

WARWICK FIRST LADY | STELLENBOSCH 275

Cassis & spice aromas. Full yet polished tannins from older oak make a satisfying & tasty "get together with friends" kind of red.

It's thanks to the Italian grape variety, sangiovese, that chianti rose to great heights of popularity in Tuscany. A lovely "Italianate" dryness permeates the palate- along with the ripe, succulent black cherries & berry fruit vibrancy.
