Welcome to our happy place!

“Gypsy’s Meal Selection”

Our aim is to introduce you to the different tastes and flavours we have picked up during our own ‘Gypsy’ travelling days. As with everything associated with Gypsy’s we try and bring ‘different’ to a plate: colour, exotic tastes and flavours to tantalise your taste buds.

1. **Moroccan Chicken and Couscous** – tender and succulent chicken breasts marinated in Moroccan spices and served with Couscous and humus. Delicate and healthy fayre which packs a spicy punch!
2. **Balti Lamb Persian Style** – Because of the situation of the origins of a traditional Balti dish, there is a definite Persian influence on many of these dishes. In this dish it takes the form of dried fruit and nuts. It has a slightly sweet note with a lingering spicy after-taste
3. **Tabbouleh Salad with tuna or chicken strips** - Tabbouleh is a Middle-Eastern (Lebanese) vegetarian salad made mostly of finely chopped parsley, with tomatoes, mint, onion, bulgur wheat, and seasoned with olive oil, lemon juice, salt and pepper.
4. Ricotta & honey sandwich / Tuscan tuna sandwich / Curried tuna sandwich / Bacon & Sausage Butty

Both the wines in our selection do compliment the dishes. Do give them a try?
