**Did You
Know?**

We divert our food waste from landfills by recycling it into organic fertiliser.

As one of Cape Town's most iconic hotels, with a rich heritage spanning over 250 years, the President welcomes you to a truly authentic culinary experience in the Mother City.

Our food philosophy is simple: Keep it fresh, local and delicious. Inspired by our spectacular natural surroundings between the city and the ocean, every dish is meticulously crafted using only the finest homegrown, responsibly farmed ingredients, sourced from the most reputable local suppliers. Our ever-changing menu is guided by the seasons, ensuring that you always get the very best of Cape Town on a plate.

We're passionate about sustainability and ask that you assist in our ongoing efforts by being mindful of food wastage.

Whether you're indulging in our gourmet dinners, artisanal pizzas, deli delights or more, we invite you to sit back, relax and savour the view at Cape Town's most-loved hotel.

With compliments,

*Sergio Adams
Head Chef*
