

GOLD RESTAURANT

IMMERSIVE AFRICAN EXPERIENCE

DE WATERKANT | CAPE TOWN

GOLD Restaurant is a vibrant Pan-African experience in the heart of Cape Town, situated at 15 Bennett Street, Green Point. We offer a night of opulent feasting with unique live entertainment in beautifully restored old warehouse.

A typical evening at GOLD Restaurant starts off with an optional half an hour of interactive djembe drumming. The drum circle offers you the opportunity to join in and learn how to play the djembe. After pounding the skins of the drums, we will soothe your hands in a traditional hand washing ceremony.

Traditional food from our Cape Malay and African kitchen is served by the magnificently adorned staff bearing your banquet in baskets perched on their heads. While you enjoy the vast variety of 14 different dishes, you will be captivated as the live entertainment takes place around your table.

Tall, graceful Mali Puppets will enchant you as they dance with the singers, jump to beat of the drum and swirl with the dancers. They will welcome you to GOLD in a truly unique display of singing, dancing and vibrant drumming. You will have the opportunity to discover your African heartbeat as you join in the final performance performed with all the staff at GOLD.
