

Follow the Swallow

Like the swallows that migrate between England and South Africa, our wines connect two continents. Founded by Penny Streeter OBE, our family of estates spans from the ocean-facing vineyards of Hermanus to the historic gardens of Leonardslee in West Sussex.

OUR MARITIME TERROIR

2.7km of vineyards at just 3m above sea level, cooled by the Benguela Current from Antarctica. Under Cellar Master Johann Fourie's guidance, we craft elegant cool climate wines with minimal intervention.
